We are an inclusive school and welcome and care for all of our children in our community.

Thank you to all at St Joseph's for a fabulous start to our son's education. He comes home enthused every day after his daily experience. You truly do live the values, love, care and share. Thank you.

An excellent school, with all teachers extremely welcoming. A well thought out transition process with a welcome letter from his Year 6 'buddy' in advance of the first day. My son loves going to school and we are really pleased with the choice we made.

A very friendly, welcoming school who provide children with a high standard of education and foundation for every day life. It is a lovely school with fabulous staff.

Fantastic school really nice transition for the kids into school. My little girl settled in beautifully.

We were highly impressed. We chose St Josephs because it felt very organised, a bright, open and inviting place to learn in. We also felt it excelled in nurturing children to become their best selves.

The children are impeccably behaved, confident and importantly very happy. We are really pleased we made this decision and we continue to be really impressed by the school. Thank you so much for all your hard work. We are really looking forward to the future.
